✦ All sponsorships entitle you to the following:

- Unlimited advertising and marketing on the sponsored areas
- Entry costs of 1 x 4-Ball
- 2 x Golf Carts
- Lunch at the Halfway House for your 4-ball players
- Prize giving dinner for your 4-ball players
- Special mention of your contribution at the prize giving dinner, company name included in the dinner menu.

✦ Watering hole sponsors

The Watering Holes are to be manned by the sponsors, and alcohol is permitted at these holes. This alcohol may not be sold and must be for giveaway only and may only be served at the sponsored hole. Watering Hole sponsors must provide their own tables, chairs, umbrellas, glasses, tablecloths, ice buckets etc. At a hiring fee of R 150 the Club provides 1 x table and 2 x chairs on request. Make sure you book these early as they are limited. The Club does not provide table cloths or umbrellas, please bring your own. The hole sponsor must sign the terms and conditions and send them to the Events Manager Gaby Lubeck with your beverage order. Beverage order must reach Gaby at least 5 days prior to the golf day. No late orders will be accepted. Hole sponsors should complete their Company details and Vat number on the terms and conditions document. Drinks provided will be for the sponsor's own account. This is the sole responsibility of the sponsors and everything is to be removed immediately after the tournament.

✦ Banners

Hole sponsors may erect branding/signage/banners etc. on the tee boxes only on the morning of the golf day and will be escorted to their respective hole by a Club staff member. Banners, signage etc. must be collected on the day. Randpark Club cannot be held responsible for any branding left on the course or at the club house overnight. Should branding not be collected within 14 days after the event it will be disposed of.

✦ Dress code and rules of the club

No individual is permitted to play golf on the course if they are not dressed appropriately, including a shirt with a collar and sleeves, and long pants or Bermuda shorts. Soft spiked golf shoes are compulsory for all players. Sponsors, as well as their guests, photographers and players should comply with the Dress Code regulations and Rules of the Club both on the course and in the Clubhouse. Sandbags are compulsory. Any vehicles going on to the course must be accompanied by a marshal or must gain permission to do so from a Club official.

Caddies: As caddies are "free agents" and not employed by the Club, the Club cannot guarantee that there will be enough to satisfy player demand. The Club generally has on average +-80 caddies available for golf days. For security reasons, the Club does not allow casual caddie's entry to the club. No caddies can be given any alcoholic beverages.

✦ NB: Randpark is a Cashless Club:

Cash money will no longer be accepted at any sales points in the club. The only form of payment accepted at the above sales points will be: Member Card (levy account) | Randpark App (MyClubAccount) | Credit Cards (Visa, MasterCard, Diners Club, American Express) | Zapper | Vouchers. There is an onsite ATM kept with minimal cash to ensure payments for caddies.

Mulligans can be bought when booking your 4 ball (see registration form) or from the registration table. Raffle tickets to be bought on the day at the registration table. Exciting raffle prizes will be up for grabs. Draws to be held during the prize giving dinner.
